

This is a vertical, high-contrast black and white image. It appears to be a scan of a physical object, possibly a book cover or endpaper. The image is characterized by a dark, textured surface on the left and a lighter, more uniform area on the right, separated by a dark vertical line. The overall appearance is grainy and abstract, with no discernible text or figures.

OXFORD COUNTY ADVERTISER, FRIDAY, OCTOBER 10, 1890.
